THE INDUSTRIAL PROPERTY ACT, 2001

NOTIFICATION OF APPLICATION NUMBER AND THE FILING DATE FOR PROVISIONAL PATENT APPLICATION (Section 41(1) and Regulation 24(5))

To: Willis Adero, Nairobi	Applicant's or agent's file reference:	
Application No.: KE/P/2026/5962	Applicant CHERNET WOJU Willis Adero, Auckland, New Zealand and Nairobi , Kenya	Filing Date: 08/04/2026 Priority Date:
Title of the invention: Rumen-modulating nutritional lick block comprising microbial consortia, seaweed bioactive, forage plant and non-protein nitrogen for reducing enteric methane emissions, improving feed utilisation and boosting productivity in ruminants.		
The applicant is hereby notified that the above identified application has been examined and found to fulfill the requirements of section 41(1) of the Act in that the application as filed contained the following: (a) The name of the applicant; (b) A part which on the face of it appears to be a description of the invention; (c) A part which on the face of it appears to be a claim or claims; and (d) Drawings (where applicable).		
The application has been accorded the application number and the filing date indicated above. Since the application was filed with a provisional specification, the following requirements as prescribed under Regulation 18 of the Industrial Property Regulations 2002 are applicable: 1. The applicant is required to file a final specification (meaning the description, claims, abstract and drawings where applicable) within 1 year from the filing date given above; otherwise this application will be deemed to have been withdrawn. 2. The final specification should be filed using Form IP 3 , and upon payment of Ksh. 3000 for local applicants or US 150 for foreign applicants . 3. Until the final specification is filed, this application will not be processed any further. 4. The final specification should not go beyond the subject matter disclosed in this application. 5. If the final specification is filed as required it shall retain the filing date given above.		
NOTE 1. This application is for obtaining patent protection in Kenya only. If you wish to obtain protection in other countries, you may either apply directly to the countries of interest, or file a regional application for example through the Africa Regional Intellectual Property Organization (ARIPO) in Harare, Zimbabwe, or file an international patent application through the Patent Cooperation Treaty (PCT), administered by World Intellectual Property Organization (WIPO) which is based in Geneva, Switzerland. The applicant has 12 months from the filing date given above to file patent applications in those other countries and claim priority of this application. More information on filing a patent in other countries can be obtained from the Institute or from the following websites: www.kipi.go.ke ; www.aripo.org ; www.wipo.int/pct 2. The cited IP forms can be downloaded from the Institute's website www.kipi.go.ke
